

## Lizards: Beginning Vivarium Systems

By Russ Case

Advanced Vivarium Systems Inc., U.S. Paperback. Book Condition: new. BRAND NEW, Lizards: Beginning Vivarium Systems, Russ Case, An entertaining and educational introduction to the world of lizards of all sizes, colors, shapes, and personalities, Lizards provides keepers of all ages with intriguing information about common and unusual lizards. This colorful guide by herp expert Russ Case offers beginners who are looking to adopt a lizard the right guidance for purchasing a healthy specimen and for creating a safe, comfortable home where the pet lizard can thrive. Beginners will learn about the anatomy of lizards and their behavior in the wild and in captivity. The chapter "Lizard Food" is a lesson in how to provide lizards with the proper nutrients so that owners meet all of the special needs of their pets. The chapter "Five Most Excellent Lizard Pets" presents the most common species for newcomers, including the leopard gecko, green anole, bearded dragon, Chinese water dragon, blue-tongued skink, each illustrated with color photos and detailed with specific advice about feeding and housing. Additional examples of lizards are covered in "Other Cool Lizards," such as the green iguana, chameleon, monitor lizard, tokay and day geckos and uromastyx; all of which are fascinating...

### Reviews

*This publication is indeed gripping and intriguing. It is actually written in basic terms and not difficult to understand. I am just pleased to explain how here is the greatest publication we have read through during my own lifestyle and could be the best pdf for at any time.*

*-- Ervin Crona*

*Very useful to any or all group of men and women. I am quite late in starting reading this one, but better than never. You are going to like just how the blogger publishes this book.*
