Matching Methodology
A Valid Step Towards Improving Student Retention
and Academic Success

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | A Valid Step Towards Improving Student Retention and Academic Success | Every year, on-campus student housing at colleges and universities throughout the United States populates with over 2.6 million students, many of which are first-time freshmen. To students in housing, finding the right roommate can decrease the effects of homesickness, minimize roommate conflict, and help build long-lasting relationships. Research has shown that these roommate connections have significant impact in academic achievement and...
