SIMON SCHUSTER, United States, 2012. Hardback. Condition: New. Language: English . Brand New Book. A lush, historical novel about the secretive Darlings of Wentworth Hall! The prettiest people often have the ugliest secrets. Eighteen-year-old Maggie Darlington has turned into an entirely different person. The once spirited teen is now passive and reserved. A change Lord and Lady Darlington can't help but be grateful for. It's 1912, and the Darlings of Wentworth Hall have more than just the extensive grounds to maintain. As one of Britain's most elite families, they need to keep up appearances that things are as they have always been, even as their carefully constructed facade rapidly comes undone. Maggie has a secret. And she's not the only one: the handsome groom Michael, the beautiful new French nanny Therese, the Darlings' teenage houseguests Teddy and Jessica, and even Maggie's younger sister Lila are all hiding something. Passion, betrayal, heartache, and whispered declarations of love take place under the Darlings' massive roof. And one of these secrets has the power to ruin the Darlings forever. When scandalous satires start appearing in the newspaper with details that closely mirror the lives of the Darlings, everyone is looking over their shoulder, worrying their scandal will be next. Because at Wentworth Hall, nothing stays secret for long.
