Buena Prensa Publications, 2008. Paperback. Condition: New. Language: English,Spanish . Brand New Book. ., .around me I have seen that the education given to males has made us believe that we have little to learn, revise, work, etc.that we were born strong and that feelings are useless emotions that confuse us; for that reason, being rational is the best option. This and other experiences throughout life create small-men with large heads, poor in expression and in love. Men who go through life unsatisfied and who cause much suffering on their children and many women. I wish, with this book, to offer men the necessary nourishment and elements needed for true change.
