Hello, fellow cooks! When I embarked on my quest to slim down from 19 stones to 12 (266 pounds to 168 pounds), I never thought I would be able to stick to a diet. My sweet tooth is insatiable: I can't live without desserts! So I developed a range of low carb treats that satisfy my cravings while still allowing me to lose weight. If you completely deprive yourself of desserts, then your diet will fail. My recipes literally allow you to have your cake and eat it too! Pace your diet with comprehensive nutritional information The lack of nutritional information in recipe books was a major frustration during my diet....
