Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This is a tale of young Englishmen who go out to the Argentine with their family. They have many adventures at the time of the Mexican - American War including a raid by the Pampas Indians in which their sister is abducted. They rescue the girl, make peace with the Indians, and return prosperously to England. George Alfred Henty was a prolific English novelist and a special correspondent. He is best known for his historical adventure stories that were popular in the late 19th century. His works include The Dragon The Raven (1886), For The Temple (1888), Under Drake s Flag (1883) and In Freedom s Cause (1885). His children s novels typically revolved around a boy or young man living in troubled times. These ranged from the Punic War to more recent conflicts such as the Napoleonic Wars or the American Civil War. Henty s heroes - which occasionally included young ladies - are uniformly intelligent, courageous, honest and resourceful with plenty of pluck yet are also modest. These virtues have made Henty s novels popular today among many Christians and homeschoolers.
