There are supposedly more cosmetic surgeons in some cities, than there are practicing general practitioners, or even medical specialists? Why is this so? This book is going to tell you all about cosmetic surgery, and why people have some preconceived notions about it. Also, it is going to tell you all about surgical methods, which are practiced by reconstructive aesthetic surgeons - the new terminology for cosmetic surgeons - in order to make you look more youthful, beautiful, or just plain different. Many people know about one of the scariest socialites in the USA. She has spent \$4 million in the past 10 years and more so that she can look more like a cat instead of a human being. Her justification for spending all this money, in spoiling a perfectly once beautiful face and making it look grotesque and weird, is that her multimillionaire husband loves big cats, and she wants to keep him interested in her. So that is why she is looking for that perpetual feline look. Any woman who can go to these limits in order to keep the fickle interest of Mr. Multi-Bank Accounts is definitely suffering from an infinity complex or she does not...
