

## The Decline of Power, 1915-1964

Filesize: 2.64 MB

### **Reviews**

*This book is definitely not effortless to start on looking at but really exciting to see. It really is simplistic but surprises from the 50 % from the pdf. I am just effortlessly can get a delight of looking at a published book.*  
(Thurman Schamberger)

Paperback. Book Condition: New. Not Signed; Between the disintegration of the Liberal Party in 1915 and the election of Harold Wilson's Labour in 1964, Britain weathered a turbulent half-century including two world wars and many profound socio-political changes. What did not survive this tumult was Britain's sea-based Empire, as the great land-based USA and USSR now assumed dominance. With customary wit, scholarship and wisdom Robert Blake guides the reader through Britain's slow decline from the world's premier power to a nation with no military commitments East of Suez: still important, wishing to see itself as 'a cut above the rest', but now effectively no better than third-ranking. [T]he most successful sections [are] the four brilliant chapters on the Second World War. But it is not only for these that The Decline of Power should be read. It is a fair-minded book. fluently, even racily written. (Peter Pulzer, London Review of Books ). book.
