Brand New Book ***** Print on Demand *****.The truth is we are all just a little bit crazy in some areas of our life to a whole lot of crazy. Being crazy is one of the things mankind has in common as the various forms of insanity work the same way in every one of us. We ve all been programmed to unknowingly believe in a host of lies and it s our belief in the need to uphold the lies that do us in. There are laws that pertain to the universe. These laws cannot be broken without creating diverse consequences. With every action there is an opposite reaction of effect. And where do the decisions we make come from? They generally come from our minds! The question then becomes, Who s controlling the mind ? If your mind is at work and in agreement with you then you would rightly say you are controlling your mind. But if you occasionally find that your mind is working against you then you should consider you are not solely in control. Jesus referred to Satan as the father of lies. I intend to show how the workings of evil are constructed through the placement of lies and how these lies in combination are at work to disrupt our lives. I will show how the longest and greatest lie is packaged and how the six major steps that make up a combined package work powerfully against you. Then I will show how the effects from the lies get all mixed in with the pain you experience and how the end results can be devastating.
