Amory communicated the following paper: - It is desirable to have in print, where conscientious historians may find it, any information we may possess to explain what, unexplained, may work injustice. The secret journal of Sir Henry Clinton, now in process of publication in the Magazine of American History, is an important contribution to the material of our Revolutionary annals. Such journals are liable, from their character, to convey erroneous impressions; and regard for the memory of the dead and the happiness of the living imposes a duty upon societies like our own, to set right what may affect reputation. Present generations, more familiar with events comparatively recent, may be better able to prevent mistakes creeping into history than those that follow them. Daniel Sullivan, the elder brother of General John Sullivan of the Continental army, and of James, one of the founders and the first president of this Society, during the War for Independence commanded a force of minute-men, about one hundred in number, raised near his home in Sullivan, on the east shore of Frenchman s Bay, opposite Mount Desert. They protected the neighborhood from depredation, became aggressive when there was cause, and formed an excellent school for recruits for the army. They took part in the attack on Castine in 1779, and rendered on other occasions efficient service. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
