Reviews

An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.

Energion Publications, 2017. Paperback. Condition: New. Color ed.. Language: English . Brand New Book ***** Print on Demand *****.This unique little book shows life confused, conflicted, and enriched by diversity. A fanciful world of perfect squares must cope with new rectangles, triangles, circles, gons and other weirdos, each with distinct personalities and predilections. In this quirky story, creativity and teamwork work wonders. Principles of human relations, change management, even Quality Management are exemplified in a simple, amusing story that appeals to many ages and backgrounds. The author has also designed PERFECTLY SQUARE-related seminars, SELFSHAPES and RELATIONSHAPES, and adapted short programs targeted for specific audiences (such as Your Church Is NOT Perfectly Square,) and created a script for delightful small-scale theatrical productions with a diversity of musical instruments reflecting the book s shape characters. All have successfully premiered in Pensacola, FL. Dr. Dolly Haik-Adams Berthelot is a human communication specialist and writer. Her University of Tennessee graduate studies, where she obtained an Ed.D., combined communication (writing, journalism, interpersonal communication, human relations, social and humanistic psychology, group dynamics) with curriculum and instruction (adult learning and instructional design). Her experience includes daily newspapers, magazines, books, teaching 7th-12th grades through university levels, research, business/organizational training and development, creative workshop development, seminar leadership, group facilitation, conflict management, diversity training, teambuilding, and more.
