Leaves from the Fig Tree (Paperback)

By Diana Duff

Rebel E Publishers, South Africa, 2010. Paperback. Condition: New. Jacques Stenvert (illustrator). 2nd edition. Language: English . Brand New Book ***** Print on Demand *****.With humour, eloquence, empathy and delightful Gaelic charm, Diana, as a child, travels from Johannesburg to Ireland to a stately home with world-famous gardens. While the talk above stairs was of horses, rare plants and fishing; below stairs it was of banshees, the little people, raths and the foxy-haired ghost. As an adult she returned to Africa, where she doubled for Grace Kelly in Mogambo; unwittingly employed a Mau Mau leader; met the king of cheetah racing; challenged the authorities at the height of apartheid - and emerged victorious. Diana Duff's memoir is feisty, humorous and poignant. It's an evocation of a lifestyle that the world will never accommodate again - particularly in Africa. More's the pity, because somehow we don't seem to breed such iconoclastic, fey and nonconformist characters any more. Diana has a remarkable memory for detail, and she writes with a kind of wry wit that is most engaging. I thoroughly enjoyed Leaves from the Fig Tree and look forward to Diana's next book. - Patricia Glyn, broadcaster,...

Reviews

This publication might be well worth a read, and much better than other. It really is simplified but excitement inside the 50 % of the book. You will not feel monotony at whenever you want of the time (that's what catalogues are for concerning when you check with me).

-- Imogene Bergstrom

The publication is great and fantastic. It can be filled with knowledge and wisdom You wont truly feel monotony at at any moment of your time (that's what catalogues are for about if you ask me).

-- Dr. Marcos Grimes III
