If you live your life right, you will have more people in that circle and less on the outside looking in. If you hear a whisper in your heart, listen closely and you will soon hear it with your ears. For you have eyes that do not see and ears that do not hear. He was, is, and continues to Be. He is word, and word is He. How low can you go in the depths of despair Before reaching a hand up and finding him there. My journey has been difficult, but it is in how we react and in what we learn that will bring us to the place we need to be. When it is our turn to leave, we can do so with a legacy of love and compassion.
