McGraw-Hill Education - Europe, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. The experts agree: Understanding Teamwork in Health Care is a true must-read A Doody's Core Title for 2017! This is a much-needed addition to the training curriculum of anyone involved in the healthcare industry. -- James Townsend, DHSc., MBA, MIS (A. T. Still University) and Doody's Review Service Our health care can be magnificently effective, but, without constant coordination and cooperation, its technologies and specialization can be the front doors to confusing complexity and risky fragmentation. Berwick, MD, MPP, President Emeritus and Senior Fellow, Institute for Healthcare Improvement Best health outcomes are often the result of an extremely competent, completely connected team of caregivers, working with an empowered patient who is the absolute central focus and sometimes the team quarterback. Drs. Mosser and Begun grasp the critical importance of healthcare team members working as equals despite titles or disciplines of practice. This is an engaging, enlightening, entertaining must-read for clinicians currently working in the field of health care, those considering the profession, people teaching potential caregivers, and anyone interested in the future of how we can deliver best health care at lowest cost through cohesive teams. -- George C. Halvorson, Chairman and CEO, Kaiser Permanente Dr. Mosser and...
