Buddhist Meditation, First Edition

By Edward Conze

Dev Publishers & Distributors, New Delhi, 2017. Soft cover. Condition: New. 182pp. Meditational practices constitute the very core of the Buddhist approach to life. An intensely practical religion, Buddhism is by contrast inclined to treat doctrinal definitions and historical facts with some degree of unconcern. As prayer in Christianity, so meditation is here the very heartbeat of the religion. Enlightenment, or the state of Nirvana, is, of course, the ultimate aim of Buddhist meditations. On the way to Nirvana they serve to promote spiritual development, to diminish the impact of suffering, to calm the mind and to reveal the true facts of existence. The book discusses all the aspects of Buddhist meditation and emphasizes that even householders can practice meditation and benefit from it.
