Reviews

Thorough guide for ebook lovers. I am quite late in start reading this one, but better then never. Its been designed in an remarkably straightforward way which is simply soon after i finished reading this publication in which actually altered me, affect the way i think.
(Gunner Labadie)

PRISONER OF WORDS (PAPERBACK)

Balboa Press, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Can we use words to make ourselves feel and actually be better? Michael Morrison certainly thinks so, and in this insightful guide he tells us about the transformational power of language. In doing so, he delves into such concepts as neuro-linguistic programming (NLP), Lamarckian evolution theory, the Biology of Belief, Cell- Level Healing, the power of prayer (in health as well as sickness), the Gaia Hypothesis, and Earth Hour. As current concerns move from the individual to the global, our well-being is seen as holistic rather than localised. Can we use positive thoughts and frame positive words to change ourselves-and ultimately help our world flourish? Read Prisoner of Words and discover a new approach to old problems.
