Quotes are really there to get you to think in new ways. These are the ones that seemed to jump from the pages and pages of quotes that I was looking at for this book. Take one or two and post them near your computer or on your mirror in the bathroom. We all need these bumper stickers to remind us about what really matters on those days we tend to forget who we are and why we are really here. Who knows, some day one of your quotes may be in another book to help folks you will never even meet. Keep believing in the goodness of the women and men and all the children of the world and together we really can make a difference. As James Baldwin says, children will imitate their elders. Let s give them the positives of life to imitate.
