SAGE Publications Inc. Hardback. Book Condition: new. BRAND NEW, Franklin Delano Roosevelt (1st Revised edition), Robert S. McElvaine, Each volume in the "American Presidents Reference Series" is organized around an individual presidency and gathers a host of biographical, analytical, and primary source historical material that will analyze the presidency and bring the president, his administration, and his times to life. The series focuses on key moments in U.S. political history as seen through the eyes of the most influential presidents to take the oath of office. Unique headnotes provide the context to data, tables and excerpted primary source documents. Franklin Delano Roosevelt was born in 1882. He was elected to the New York State Senate in 1910. Roosevelt worked to end the depression through far-reaching federal programs that became known as the New Deal. In 1939 Germany invaded Poland and started the Second World War. Roosevelt brought the U.S. into the war following the Japanese attack on Pearl Harbor. After an unprecedented third reelection, with Harry S. Truman as his vice president, Roosevelt began preparing the nation and the world for the post-war realities. On April 12, 1945, not long before the unconditional surrenders of Germany and Japan, Roosevelt died. This new volume on the presidency of Franklin Delano Roosevelt will cover: The Great Depression and The...
