Createspace, United States, 2015. Paperback. Book Condition: New. Large Print. 254 x 203 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.We strongly believe that this system will deeply penetrate the psyche, modifying and restructuring electromagnetic frequencies within the reader brain, which in turn changes and enlivens the DNA and RNA strands that are currently dormant. Every word written here will instill radiant light in the cerebral neurons and neurotransmitters, opening intercellular portals. Every sentence that you read in this book and every letter you see, directly seize the energy arranging chromosome combinations in the physical body. In the astral dimension, these words activate very fine energetic filaments that are attached to DNA strands and coat the meridian channels with crystallized spirals of light. In the causal or spiritual bodies, reading this book will open the gates to the soul, giving it access to new horizons of perception in nine parallel dimensions as well as the possibility of absorbing higher vibration nutrient sources that are streams of living astral liquid light. This book encloses a new spiritual practice to be performed in two parts: firstly, while reading, and secondly, as life goes on-at work, while walking, exercising, talking, sitting, and so on. You can experiment and decide for yourself how effective and useful this method is. This reading experience will be totally different from past reading experiences. Starting on the first page, you will be invited to swim in the depths of your vast self; the reading itself will take you by the hand and show you this other realm of consciousness. It will entice you, both consciously and unconsciously, to fly free. This book does not require you to sit and practice a plethora of techniques day after day; you just have to simply read and...
