

Bigfoot Sightings Explained Field Guide

By Barry Bigfoot

richard paul. Paperback. Condition: New. 84 pages. Dimensions: 9.0in. x 6.0in. x 0.2in. ABOUT THIS BOOK: What could possibly be funny about stunned and frightened eyewitnesses who nearly go into shock when they stumble upon a huge and hairy human-like creature walking about on two legs And even worse, when the witness tries to share her experience with the people she trusts the most, more often than not shes laughed at and even ridiculed. This book takes the opposite perspective. What if a huge and hairy, human-like bigfoot frightened away a camper, found the campers smart phone and started his own blog to explain what really happened during reported and vetted bigfoot sightings What if 50 of the most fascinating, confusing and frightening encounters from all over the United States and Canada were combined into a book This is it. Inventive, clever, humorous and sometimes howlingly funny, Bigfoot Sightings Explained Field Guide gives the reader the chance to step inside the head of a bigfoot and learn exactly who and what hundreds of startled and terrified eyewitnesses saw and experienced during their sightings. And its funny, 50 times over, as our blogger takes a swipe at hunters, ATV riders, the Washington...
