WE ARE CANADA (PAPERBACK)**DOWNLOAD**

Read Leaf, United States, 2014. Paperback. Condition: New. Cameron McLellan (illustrator). 2nd. Language: English . Brand New Book. We Are Canada is a short story of Canada that begins at the end of the last ice age and carries through to the present day. It is an eighty-page telling of our history that challenges three Canadian myths: that the French were a conquered people, that our First Nations were innocent bystanders in the formation of our country, and that Canada only had two founding peoples. According to Rikia Saddy, we've been multicultural from the start. An informative, easy read, We Are Canada will change the way you see your country. We can't be divided, and we can't be conquered. We are Canada.
