Avalon Travel Publishing, United States, 2018. Paperback. Condition: New. 3rd ed.. Language: English . Brand New Book. Exploring the world through travel is a vital way to shape our political views and our social awareness. These days, it s more important than ever to engage in travel as an activist.In this fully revised edition of his award-winning book *Travel as a Political Act*, acclaimed author and activist Rick Steves explains how to travel thoughtfully and honestly, and to come home with a better understanding of how our nation fits into a universal puzzle. In Rick s own words, travel connects us with nature, with culture, and most importantly, with people. When we experience the rest of the world, instead of fearing its diversity, we can learn to celebrate it.With entirely new chapters focused on the far-reaching impact of global events such as Brexit, Trump, and so much more, Rick shows readers how to travel with intention and an open mind. In times of political and cultural turmoil, his ardent philosophy rings truer than ever: beyond new experiences, great art, and tasty cuisine, travel emboldens us to become better citizens of this planet.
