SINS OF SEPTEMBER

Meatball Taster Publishing, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.September Dawson is not quite fourteen when her mother takes off, leaving her and her four-year old half-sister Scout, under the care of Jesse Ryan, her much younger husband, and September s step-father. Shortly afterwards, September is sent to live with her maternal grandparents in Mississippi. Four years pass before she returns to Arkansas, at the request of her step-father, to take care of her younger sister for the summer. It s the summer going into her senior year, and September becomes not only a mother-figure to Scout, but a slow spark ignites between her and Jesse. September is all about fanning the flame; Jesse, however, is all about denial. This novel is not about taboo sex; this story deals with what some may consider taboo love. September is not the vestal virgin being seduced by a man nearly twelve years her senior the summer of 2010. In fact, September has a bit of a sneaky side when it comes to getting noticed, but in the process, she learns about the man she s come to admire and love, and gets some well-needed lessons about honesty, maturity and sacrifice. Sins of September is more than a coming-of-age story. It deals with the complications of life; the reality of abandonment, and the drama and suffering that ensues when others want what you have, and the extent they will go to in order to destroy it.
