Reviews

A really great publication with lucid and perfect reasons. I have read through and i am confident that i am going to gonna read yet again yet again down the road. It is extremely difficult to leave it before concluding, once you begin to read the book.

El maestro Chris Hart ofrece en este libro: plantillas de la cabeza y el cuerpo para dibujar personajes; instrucciones paso a paso accesibles y específicas; detalles de peinados, moda y accesorios para completar la apariencia del personaje; y ejercicios de dibujo para practicar la aplicación y combinación de todos los elementos que necesitan los personajes que aparecen en la escena.
