

## The Sign (Paperback)

By Romel Duane Moore Sr

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Luke 2:12 says, And this shall be a sign unto you; Ye shall find the babe wrapped in swaddling clothes, lying in a manger. The birth of Jesus has been taught many times over throughout history. Over time, the retelling of the little babe born in Bethlehem became a novelty known simply as the Christmas story. The Sign re-presents the Christmas story by focusing its spotlight on the manger. It is there that we can see clearly the purposes of the angel s grand announcement as told in the Gospel of Luke. Beyond their visitation to the shepherds in the field, the arrival of wise men from the east, and King Herod s rage over the coming of the King, there remains much more insight to uncover about the site and sight of the Birth of Christ. Take a journey with me as the Spirit of God connects this story prophetically from Genesis to Revelation.
