One Being is the story of the amazing journey and spiritual awakening of a cynical TV news journalist named Glen Darrow. He is self-centered, vain, and materialistic, and has no time or use for the spiritual or mystical side of life. Suddenly his hedonistic lifestyle evaporates as his wife divorces him. Angry and embittered, he embarks on a merry-go-round of binge drinking and one-night stands. After quitting his job during an argument with his boss, he finds himself lonely, bewildered, and lost. A chance encounter with some Buddhist monks leads him to question his life. He decides to travel to India to search for the secret of personal happiness but finds much more. Guided by an Indian guru, he makes some amazing personal discoveries and gains some incredible insights. He gradually comes to the ultimate realization that we all someday must reach, that we are all one being. This item ships from multiple locations. Reviews

It is one of my personal favorite books. It is written in easy terms and never hard to understand. It has been designed in an exceedingly easy way and it is only after I finished reading this publication by which in fact changed me, change the way I think.

-- Lucinda Stiedemann

This publication could be worth a read through, and far better than other. This is certainly for all those who state there was not a worth reading through. You may like just how the author composed this publication.
