Hana would be like any other thirteen-year-old immigrant trying to fit into life at an American school, but she also battles hostile, animal-like warriors from the dimension of Argon Falls. In discovering secrets about her identity and her past, Hana bravely faces her enemies and realizes her divinely-given purpose. As secrets come to light in this world, darkness ensnares another. After fending off assassins, Hana reveals the story about Argon Falls to her friends in San Francisco. But Pastor James teaches her and Tomo about something even more important---forgiveness and new life. Hana's time here will get cut short, however, when the enemy encircles her family members in a trap back in Argon Falls.
