How to Stop Reading Self-Help Books: Some Simple Steps and a Dash of Critical Thinking (Paperback)

By Dr Scott a Cherry

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A world full of self-help books and we still need help. One self-help book followed by another, like cars rolling off an assembly line. And so the cycle of reading continues. We ve become addicted to self-help books. What s gone wrong? As we grab the next self-help book, barely having finished the last, we ve assumed the genre reflects and satisfies our need for self-fulfilment. And yet, it s always playing catch-up. I examine how the self-help genre is embedded in a dominant ideological current running through ever-increasing parts of our culture. The individual is the site where all the fixing work takes place. Single answers. Easy fixes. Single individuals. Through detailed analysis of the mundane practices of everyday life, I show that there is another ideology, operating in tandem but concealed because of its mundaneness , through which we re finding ourselves. What we crave is to engage in the shared production of our lives. We want to be like other people. The self-help book genre is preventing us from being genuine individuals. We must place the...
