Quercus Publishing, United Kingdom, 2012. Paperback. Condition: New. Language: English . Brand New Book. Have you ever just clicked with someone? Is there a safer space for secret desires than virtual reality? Just what you need WENDY HOLDEN It begins by chance: Leo receives emails in error from an unknown woman called Emmi. Being polite he replies, and Emmi writes back. A few brief exchanges are all it takes to spark a mutual interest in each other, and soon Emmi and Leo are sharing their innermost secrets and longings. The erotic tension simmers, and it seems only a matter of time before they will meet in person. But they keep putting off the moment - the prospect both unsettles and excites them. And, after all, Emmi is happily married. Will their feelings for each other survive the test of a real-life encounter? Translated from German by Jamie Bulloch and Katharina Bielenberg.
