### GREEN MARS (PAPERBACK)

Random House USA Inc, United States, 1995. Paperback. Condition: New. Language: English . Brand New Book. Nearly a generation has passed since the first pioneers landed, but the transformation of Mars to an Earth-like planet has just begun. In Green Mars the colonists will attempt to turn the red planet into a lush garden for humanity. They will bombard the atmosphere with ice meteorites to add moisture. They will seed the red deserts with genetically engineered plants. Then they will...
