NEVERWAS

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. At the end of Amber House, Sarah made a choice that transformed everything--and now she must choose it all again. I was sixteen the second time I had my first kiss. After growing up in the free country of the Pacific Northwest, Sarah Parsons has settled in at Amber House, the stately Maryland home that s been in her family for generations. But the world surrounding the House feels deeply wrong to Sarah. It s a place where the colonists lost the 1776 Insurrection, where the American Confederation of States still struggles with segregation, and where Sarah is haunted by echoes of a better world that she knows never existed. Her friend Jackson shares these visions of a different world--and together, they manage both to remember the way things ought to be, and to plan a daring mission that will reset the universe once again. It will involve objects from the past, knowledge of the future, a leap into the unknown.and in the end, a sacrifice Sarah never imagined.
