

The Periodic Table of Cricket (Hardback)

By John Stern

Ebury Publishing, United Kingdom, 2016. Hardback. Book Condition: New. 206 x 137 mm.

Language: English . Brand New Book. Welcome to The Periodic Table of Cricket. Here you ll find the essential elements - batsmen and bowlers past and present - that have left a lasting legacy on this great sport. As with chemical elements, these international personalities have been arranged based on their characteristics in and out of play. Instead of metals and non-metals, here we have patient and determined defensive players, from Jack Hobbs to Hanif Mohammad and Alistair Cook transitioning to fast-paced and attacking players including Shane Warne, Fred Trueman and white lightning Allan Donald with a whole host of others in between. See how the best international players stack up against each other in this original guide to cricket that s perfect for all cricket fans. Also contains a pull-out poster of the Periodic Table of Cricket.

Reviews

An extremely wonderful ebook with lucid and perfect explanations. I was able to comprehend almost everything using this composed e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.
