A really great publication with lucid and perfect reasons. I have read through and i am confident that i am going to gonna read yet again yet again down the road. It is extremely difficult to leave it before concluding, once you begin to read the book.

Lisa Gray Fisher, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Among the many forms humanity takes are dog aficionados. Happiness is their common quest, but it's not always as easy to get as a good scratch. Full Body Wag follows two sets of characters whose lives ultimately intersect through devotion to the dog: a group of Santa Fe women, led by the dog-obsessed Ms. Sioux Ashe, who takes charge of a community college creative writing class over protests from their bewildered English instructor, and a scruffy pack of men who are filming an independent B-grade sci-fi horror movie in Cow Springs, Arizona. The adventure begins after the mangiest member of the film crew, one-eyed Big Willie, makes of his deceased mutt a communion meal and is transformed from a grief-stricken sweat-hog into a charismatic healer on the canine circuit. Fluent in Dog and generous with his snack-laden beard, his unorthodox cures include therapeutic rabbits and Elvis love songs. When Willie's gift brings him and his sidekick screenwriter Gap into the sphere of Sioux and her dog-loving dilettante companions, Gap takes up his quixotic quest to win Dena, who was his senior prom date twenty years ago and remains his one great love.
