Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Ever wondered what it would be like being an erotica writer? I am Mister Average - I m not rich or famous, but I do make my living writing erotica for you. Join me for one day as I take you through my life as an erotica author, letting you in on my secret life as I work on my latest ebook. I hope what I get up to as I research my work doesn t shock you too much. Contains explicit adult content. ----- The author is a prolific writer of short fiction - some of his recent reviews include. This was well crafted to highlight the trials of boys growing up with raging hormones! The look into what might happen behind closed doors growing up male. ----- My Erotica Out to Dry was, without a doubt, the most unique and hilarious collection of erotic short stories I have ever read in my life. ----- This great little collection contains two stories, not just one, excellent value! Both stories are about women who have husbands and their cuckold fantasies, and the very hot fulfillment of those fantasies in action. Two very hot stories that get right to the action. I really enjoyed reading these from the perspective of the two women, very satisfying. ----- Thank you soooo much for the very best laugh of my life! I will definitely be purchasing more of Mister Average s books!.
