

Electricity in the Diseases of Women: With Special Reference to the Application of Strong Currents (Classic Reprint)

Filesize: 8.66 MB

Reviews

This created ebook is wonderful. I am quite late in start reading this one, but better then never. You may like the way the author compose this pdf.

(Frederic Lang)

ELECTRICITY IN THE DISEASES OF WOMEN: WITH SPECIAL REFERENCE TO THE APPLICATION OF STRONG CURRENTS (CLASSIC REPRINT)

DOWNLOAD

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Electricity in the Diseases of Women: With Special Reference to the Application of Strong Currents In presenting to the profession what is believed to be the first attempt at a complete treatise on the electrical treatment of the diseases of women, the author deprecates in advance any misapprehension of its scope and claims. Only such conditions receive notice in the treatment of which electricity has recently been urged upon professional favor; and this portion of the work partakes, therefore, more of the nature of a mirror of the authors daily work than of a classical research into the literature of the subject. While the experience of others, particularly of Apostoli, Engelmann, and Lapthorn Smith, has been utilized as a guide and mentor, it is not forgotten that a scientific investigation takes nothing upon hearsay evidence, and that the profession demands proofs rather than theories. It should be stated, also, that the author does not wish to assume the position of recommending the routine use of any one agent or procedure, to the exclusion of other rational remedies, in the medical or surgical treatment of any single class of diseases. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
