HEALTHY HUNTER: BECOMING THE ULTIMATE PREDATOR (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This is not a diet book. This is not a health book. This is a lifestyle. Honestly, this book isn't for you; this is for your kids, your grandkids, and for all those you care about. When you apply the principles found in the following pages, you can change your life. But more importantly, you can have a positive effect and change the life and future of your kids and grandkids by setting a healthy example and leaving a healthy legacy. To hunt we don't have to be strong enough to pick up a car. We don't need to run 100 miles. It's not necessary to look like a bodybuilder. And we sure don't need to look like an underwear model. But by improving our fitness, we can certainly enjoy a higher quality of life. We can have more productive years with our kids and grandchildren. We can spend more time in the woods doing what we love and avoid sick nights in the hospital. We can share our love of the outdoors with the next generation. Just by becoming healthier we can improve our lives and the lives of future generations. If you set an example, teaching your progeny how to hunt, fish, and share your love of God's creation, not only will they thank you, posterity will thank you! This is not for those looking for a magic pill. And it is definitely not for vegan members of PETA. This is for hunters that want to live better, longer, higher quality, and healthier lives. This is your SOLUTION. This is your GUIDE. This is your PATH. .to be a better man .to...
