

Number and Its Algebra: Syllabus of Lectures on the Theory of Number and Its Algebra, Introductory to a Collegiate Course in Algebra (Classic Reprint) (Hardback)

Filesize: 2.9 MB

Reviews

A high quality ebook along with the font employed was fascinating to read. It really is written in easy phrases rather than confusing. I am just easily can get a satisfaction of looking at a composed publication.
(Isai Bradtke)

NUMBER AND ITS ALGEBRA: SYLLABUS OF LECTURES ON THE THEORY OF NUMBER AND ITS ALGEBRA, INTRODUCTORY TO A COLLEGIATE COURSE IN ALGEBRA (CLASSIC REPRINT) (HARDBACK)**DOWNLOAD**

Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Number and Its Algebra: Syllabus of Lectures on the Theory of Number and Its Algebra, Introductory to a Collegiate Course in Algebra I must not be understood as advancing anything new to mathematicians, though I know of no English text-book which consistently expounds and maintains the theories of number and algebra here presented. The work is addressed, not to mathematicians, but to inquiring students and teachers. A sound doctrine of number and its algebra seems to be left by our text-books to chance inference, or deferred to stages seldom reached in undergraduate courses of study. A straightforward development, comprehensible by beginners, of the number concept would be of immense service in mathematical instruction. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
