Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Misconception volume 5, The Misconception Adventure is a book based on inspired imagination. It was actually written to reveal to children and the youth that, their imaginations are vital to our success in the future years to come. When I was a child, I was put out of school, I was in a lot of fights, I was kicked off of teams, and so much more, just because, my imagination constantly got the best of me. When I was in the Army, they told me that I was a terrorist because I could explain to them how certain bad things could happen, right under our noses. but, inspiration, put together with imagination, can be dangerous in the right person. Think about this; every car we drive, every shirt we put on, every house that is built, and every city that is built and founded, all of it started as a thought. even the Bible tells us that it is important to think and imagine things, but to mindlessly day dream, that is a whole different topic.
