

Water Ways (Paperback)

By William O Daly

Folded Word, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Join William O Daly and JS Graustein on their poetic explorations of New Hampshire's waterways. O Daly's work as a Research Writer at the California Department of Water Resources during the state's multi-year drought and Graustein's training as an Aquatic Ecologist lend unique perspectives to the beauty of the Granite State's blue spaces. From the Connecticut Lakes to the Seacoast, Otter Brook to the Salmon Falls River, and the circumnavigation of Lake Winnepesaukee, the poems, essays, and photographs in this book celebrate New Hampshire's gateways to the most serene surface, the silence / of what we no longer remember: who we are, / to whom the loon calls across the emptiness.

Reviews

Most of these ebook is the ideal pdf readily available. it was actually writtern quite flawlessly and valuable. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Prof. Jordy Kihn

It in just one of my personal favorite book. I was able to comprehended every little thing out of this published e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Isaac Olson
