He is best known for his fiction involving hard-working Midwestern farmers. Main-Travelled Roads was his first major success. It was a collection of short stories inspired by his days on the farm. He serialized a biography of Ulysses S. Grant in McClure s Magazine before publishing it as a book in 1898. The same year, Garland traveled to the Yukon to witness the Klondike Gold Rush, which inspired The Trail of the Gold Seekers (1899). He lived on a farm between Osage, and St. Ansgar, Iowa for quite some time. Many of his writings are based on this era of his life. The Moccasin Ranch was first published in 1909.
