By Wannetta Johnson

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. So, imagine a large cookie jar sitting on the kitchen counter. Instead of finding your favorite cookie inside the jar, your fingers touch a piece of paper. You pull the paper out, open it up, and find today s date and a question written on it. Under the question are instructions written telling you to read the question and answer it spontaneously. Do not think. Do not plan your answer. Let your initial reaction to the answer be spoken, be written. At the end of each day you will find my answer and for the majority of the time, if not all, you will read the name Lucy in my answer. No, my name is not Lucy. Well, not exactly. Somewhere down the road, in another book, Lucy will be explained. The reader will find out how she came to be born. For the moment, I can tell you that anyone and everyone who has read about her adventures, her answers to situations and the predicaments she somehow manages to get herself into, have thoroughly enjoyed following her.
