Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Oxford Historical and Literary Studies, Vol. 5: Issued Under the Direction of C. H. Firth and Walter Raleigh Professors of Modern History and English Literature in the University of Oxford More than fifty years ago, Mr. Thoms, the then editor of Notes and Queries, urged the publication of the literary remains of Henry Tubbe, preserved in the author's beautiful manuscript in the British Museum. They consist of letters in English and in Latin, and poems of various forms (verse-epistles, elegies, odes, hymns, satires, epigrams), with some prose characters and devotions. Investigation has shown that some of the poems are poetical exercises merely, paraphrases, in fact, of poems of Randolph and Suckling. And no very striking merit can be assigned to those other poems which are more original. But some of the satires have a coarse strength, and other poems illustrate at least the poetical fashions of the day, especially its fondness for conceits. They throw some light on the acts and behaviour of the Parliamentarians and religious fanatics, and still more on the spirit in which Royalists and Churchmen, such as Tubbe, regarded them. The letters bring him in connexion with noble families such as the Wriothesleys, Devereux, Spencers, and Tuftons, and afford an interesting picture of the life and feelings of a studious Royalist at a time when family ties were broken under the stress of party passions, when Royalists were driven into corners, and the high places of the world were occupied by their enemies. Hitherto the wish expressed by Mr. Thoms has remained unfulfilled. I hope, however, that an account of Tubbe and some specimens of his writings may still excite a little of that...
