

## Year of Morphines: Poems (Paperback)

Filesize: 2.41 MB

### **Reviews**

*This publication will never be effortless to get started on reading through but very entertaining to read through. It normally is not going to expense too much. I discovered this publication from my dad and i encouraged this book to find out.*

Louisiana State University Press, United States, 2002. Paperback. Condition: New. Language: English . Brand New Book. Betsy Brown is no stranger to loss. Breast cancer runs rampant in her family; both her mother and her thirty-two-year-old sister died of the disease and another sister has been diagnosed with its late stages. Her father also fell victim to cancer, this time pancreatic. The poems in Brown s stunning first book pivot around the mechanisms we use in facing loss and fear -- whether those confrontations are as wrenching as a bone marrow transplant or as confused as a brief love. In lyric verses with a driving narrative force, the poet depicts loved ones coping with illness, sometimes achieving recovery, and reshaping a family. From his hospital bed a father relates the color of his pain-killers, / the in-and-out narcotic conversations / of the doomed. A woman recalls Baltimore, where her sister received treatment, as a city of doctors, messy brain scans, / slick cobblestoned lanes thick / with Christmas. She returns to the spot where her sister s cremated remains were scattered, relishing the secrets of ashes, / the clean wash of lake water / like all the nights we sat / with the little waves lapping. An unusually intimate collection, Year of Morphines is both a heartbreaking portrait of the process of death and encouraging evidence of life s perseverance.
