Faber & Faber. Paperback. Book Condition: new. BRAND NEW, The Unnamable, Samuel Beckett, The Unnamable - so named because he knows not who he may be - is from a nameless place. He speaks of previous selves ('all these Murphys, Molloys, and Malones.') as diversions from the need to stop speaking altogether. But, as with the other novels in the trilogy, the prose is full of marvellous precisions, full of its own reasons for keeping going. perhaps the words have carried me to the threshold of my story, before the door that opens on my story, that would surprise me, if it opens, it will be I, will be the silence, where I am, I don't know, I'll never know, in the silence you don't know, you must go on, I can't go on, I'll go on.
