

A Guide to Bird Finding in Kansas and Western Missouri (Paperback)

Filesize: 4.58 MB

Reviews

It is in a single of the most popular ebook. It really is simplified but excitement in the fifty percent from the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Joy Langosh)

A GUIDE TO BIRD FINDING IN KANSAS AND WESTERN MISSOURI (PAPERBACK)

University Press of Kansas, United States, 1988. Paperback. Condition: New. Language: English . Brand New Book. Kansas and western Missouri are astonishingly rich in birdlife. Located in the very center of the North American continent, the area is home to most of the eastern bird fauna and many of the western species, and even hosts occasional visitors from the far north. Over 400 species of birds have been recorded in Kansas alone, an abundance that places it among the top five birding states in the country. A Guide to Bird Finding in Kansas and Western Missouri is a guide to this rich mosaic of birdlife. Written for both resident and visiting birders, the book begins with an introduction to the region's avian diversity and to its eleven major biotic communities. Illustrated with 17 line drawings by renowned artist and ornithologist Robert Mengel, A Guide to Bird Finding also features 26 detailed maps, a checklist of birds of the region, and an annotated list of Specialty Species. The book's main focus, though, is on birding tours--75 of them. Meticulously described and thoroughly road-tested, these tours lead down paved highways, dirt roads, and paths, past old cemeteries, around lakes, along creeks, into cities, and out onto the prairie, winding through the birding hotspots of Kansas and western Missouri. With this new guide in hand, birders can tailor their expeditions to focus on the big picture, taking advantage of all the birding possibilities a particular location has to offer, or the small picture, searching out one or two especially challenging species. Zimmerman and Patti have provided information on road conditions and tour routes, and have also zeroed in on a few birding surprises--like Bobolinks next to saline marshes in central Kansas. Among the many birding possibilities the book suggests are: a...
