# WASTEWATER TREATMENT

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | Preparation & Characterization & Evaluation of Organic Flocculant | Wastewater has become a great concern over the last three decades world-wide. This was evidenced by the ever growing people's worry about the present and future of the world. Such worry is; in particular, associated with the continuous enhancement and conferment effect of the environmental pollution which has very negative impact on distortion of the ecosystems. Wastewater treatment is a major problem around...
