

The Alchemy of Foods and Herbs: Course 2: The Legend of the Beet Brothers

By Osalina Berman M H

Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Alchemy of Foods and Herbs: Course 2: Abbie Abuta to Beezy the Bee Pollen Queen The Legend of the Beet Brothers is part of a 15 course series and is a continuation of my series of stories on the Beet Brothers. Course 1: which began as The Alchemy of the 5 Elements as the Beet Brothers study in the College of Alchemy for Plants; to learn from the Elements and Nature Spirits about the 5 Element Theory and the 5 senses relationship on how to heal humans. After graduating Course 2: Alchemy of foods and Herbs Abbie Abuta to Beezy the Bee Pollen Queen begins as they travel around the world interviewing plants and trees for this continuing series. This course covers 55 trees or plants including Acidophilus, Agate and Bee Pollen. The characters start from Abbie Abuta to Beezy the Bee Pollen Queen in this Course. This book is full of story, poetry, humor, history, geography and holistic healing sciences about each plant. It also includes many culinary and medicinal recipes as well as how to make...

Reviews

I actually started out reading this article ebook. This is for those who statte that there had not been a worth reading. Its been developed in an extremely easy way and it is just after i finished reading this book in which in fact modified me, change the way i really believe.

-- Antonetta Ritchie IV

Very useful to any or all group of men and women. It is writter in basic words instead of difficult to understand. I realized this ebook from my i and dad recommended this publication to understand.
