

Freedom and Destiny: Gender, Family, and Popular Culture in India

By Patricia Uberoi

OUP India. Paperback. Book Condition: new. BRAND NEW, Freedom and Destiny: Gender, Family, and Popular Culture in India, Patricia Uberoi, This volume of seven essays on themes of family and gender in Indian popular culture seeks to commend popular culture as an important resource for sociological insights into contemporary social issues and processes. Drawing its material from three popular media - 'calendar art' (popular chromolithography), commercial 'Bollywood' cinema, and magazine romance fiction-the essays bring a gender-sensitive perspective to bear on the representation of the family, of childhood, of courtship and conjugality, of arranged and love marriage, of femininity and masculinity, and of sexuality within and outside marriage, as well as on the wider dilemmas and dynamics of Indian modernity and nation-building. While much has been written on the figure of the woman as icon of the national society and on the Hindu pantheon as a template for visualizing gender roles and relationships, the author also takes up here the iconicization of the child and the family in the national imaginary, illustrating her arguments with stunning visuals from her personal collection of Indian calendar art. Freedom and Destiny explores the contradictions in the moral economy of Indian family life as these...

Reviews

Complete information for publication fans. Better then never, though i am quite late in start reading this one. Its been written in an extremely straightforward way in fact it is just soon after i finished reading this ebook in which basically altered me, change the way i believe.

-- Ellie Stark

This written book is great. I am quite late in start reading this one, but better then never. You will not really feel monotony at at any moment of your time (that's what catalogues are for about when you check with me).
