Balboa Press, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.It started with the discovery of a little bump on the side of her neck at a birthday luncheon. It turned into two years of back-to-back cancers, the harshest chemo, a stem cell transplant, a mastectomy and reconstruction. In this book, Laren Rusch Watson, a Board Certified Holistic Health and Nutrition Coach shares the emotional rollercoaster that she went through first with the shock of her diagnosis and then with reconciling the necessary chemical cocktail with her organic, all natural belief system; she shares it all in her typical casual style as if you were having coffee. The second part of the book she aims to help cancer patients through the difficult time just after diagnosis and through treatment by organizing all that she learned into seven sections, from food and health information to life altering lessons, to trippy spiritual experiences. This book will support the newly diagnosed cancer patient in finding strength and optimism through the hardest time of their life.
