KARATE - BENEATH THE SURFACE: EMOTIONAL CONTENT OF KATA (PAPERBACK)

Kamen Entertainment Group, Inc., 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book is for Martial Artists, who train their bodies and minds but have yet to find the spirit that lies deep within their art. Martial Arts are brutal and deadly forms of fighting, however, they also contain the potential to go beyond the surface of skin and bones defensive and aggressive physical techniques, by tapping into a well of emotional and spiritual energy that strengthens the physical motion, while elevating character and personal growth. Most traditional Martial Arts schools contain Kata as part of their curriculum. A Kata is a dance-like pattern of fighting techniques containing specific hand and foot positions and movements, specific breathing patterns, vocalizations, and visualization of imaginary opponents. Physical, emotional and spiritual energies are generated, absorbed, redirected and projected. Kata is essentially a combat based energy management system. Students learn the Kata in a systematic approach where each progressing Kata is more difficult than the previous one. It takes many years to master all of the intricate movements and fighting strategies contained in the Kata. These Kata have ancient roots containing advanced fighting techniques, fighting strategies and deep spiritual meaning. By passing through the various Kata of the system, a student gradually progresses through physical, emotional and spiritual states that ultimately provide a roadmap to becoming a fearless and compassionate human being; a person who can give freely, because he can fight and is not afraid of losing anything, including his life. The rigorous training Martial Artists suffer through, as we learn to fight by mastering the Kata, elevates our character as we overcome our physical, emotional and spiritual limitations. The lessons we learn through training increase our compassion as we teach our juniors, who are...
